

## Group Quality, Health, Safety and Environmental Policy

Trans Asia Group of Companies, comprising Trans Asia Industrial Laboratories as the parent company and its associate entities Al Arabia Pipeline Services and Trans Asia Inspection Laboratories, operates its businesses with a unified commitment to Quality, Health, Safety, and Environmental (QHSE) excellence.

We are dedicated to conducting all operations in a manner that consistently meets or exceeds the QHSE standards and expectations of our customers, employees, business partners, regulatory authorities, and the communities where we operate. Our goal is to continually improve our integrated operations, processes, and services across the group to ensure sustainable success and stakeholder satisfaction.

### Our Policy Commitments

As a unified group, we commit to:

- Consistently provide services that meet customer, statutory, and regulatory requirements.
- Enhance customer satisfaction through effective implementation and continual improvement of the IMS.
- Prevent pollution and manage environmental impacts responsibly to support sustainability.
- Provide safe and healthy workplaces by preventing injuries and illnesses, eliminating hazards, and minimizing OH&S risks.
- Comply with all applicable legal and regulatory requirements.
- Engage with employees, customers, and stakeholders through open and effective communication.
- Ensure that QHSE objectives align with the strategic direction of each company within the group.
- Train and empower personnel to maintain competence and promote a culture of continual improvement.
- Maintain certification and compliance with ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 standards.
- Adapt, innovate, and refine our business processes in line with global trends and best practices to enhance efficiency, sustainability, and credibility within our industries.
